

Wi-Fi AP Cap for Cisco 9130AXI

Ventev's Wi-Fi AP Cap for Cisco 9130AXI is designed for indoor use to conceal the access point. The RF-transparent, paintable (with non-metallic paint) cap covers the AP and allows it to blend with the environment. Constructed of Kydex acrylic PVC, the AP Cap is durable and affordable. It attaches easily to the AP using heavy-duty Velcro dots that are included with the product. The AP Cap is ideal for applications where an aesthetically pleasing deployment is essential. *Every Ventev enclosure is covered by the company's two-year TerraNet warranty program.*

For more information or to purchase, contact Ventev: 800.851.4965 or sales@ventev.com.
