

# U-Mount Female-to-Female Adapter

UM-88 / 10501

## Features and Benefits

Add even more versatility to your u-mount Tablet Case. The UM-88 turns any .625"-27 threaded stem into a standard .625"-27 threaded hole. Use it to mount threaded u-mount accessories to existing mic stands, podium mounts, boom arms, and other fixtures. Perfect for any scenario where you need to change the gender of a .625"-27 threaded post.

## Specifications

**Application:** Convert .625"-27 male threading to 5 / 8"-27 female threading

**Color:** Black
