

# U-Mount Mic Stand Tray

MST1000 / 10666

## Features & Benefits

Hold everything. Our u-Mount<sup>®</sup> Mic Stand Tray is the ideal catch-all for your accessories including picks, capos, tuners, slides, set list, or even drinks. This convenient little table features raised edges that prevent items from rolling or sliding over the edge. It clamps to standard mic stand shafts in seconds using an ergonomic tightening thumb screw. This already versatile design goes a step further by providing the ability to attach an additional mic clip or gooseneck via the threaded end of the mounting bar, perfect for miking an acoustic instrument.
