

# Keyboard / Piano Bench

KB8802W / 13986

## Features and Benefits

Featuring a vinyl seat cover with hidden / micro air vents for consistent comfort / support and fullness preservation, The On-Stage KB8802W pays an elegant, affordable and comfortable compliment to everything from a concert grand piano to a multi-voice digital keyboard. Solid wood, black-finished construction delivers tilt-tested stability and elegant, traditional optics, non-slip rubber end caps ensure secure placement, and the 1.5" foam-cushioned seat ensures hours of performance, rehearsal and recording comfort. Designed for classic / elegant form and rock solid function, the KB8802W gives keyboardists of every stripe exactly what they deserve — the best seat in the house.
