

# Women's Trim Fit Knee Boot

Quality performance in a lightweight, comfortable boot.

**Women's Trim Fit Boots**, a softer, lighter, flexible classic women's boot, offer a good balance of performance, lightweight, and comfort.

Perfect for yards, gardens, and farms, or applications where some exposure to fats, certain acids, hydrocarbons, caustics and other chemicals are present.

- Contemporary design for style, fit and comfort.
- 100% waterproof materials keeps feet dry.
- Shiny dark blue upper and gray outsole for high fashion appeal.
- Sure grip outsole maximizes traction.
- Cleated outsole provides traction in varied conditions both indoors and outdoors.
- Large openings between the cleats help to dig through mud and are self-cleaning.
- Removable contour insole wicks perspiration and absorbs shock for all-day comfort.

**Cleated Outsole:**  
For traction in varied conditions on indoor and outdoor surfaces.
