REVISION HISTORY

Rev	Date	Initial	Description
Rev A	10/17/19	JH	Created preliminary spec package for sampling
Rev B	1/3/20	JH	Updated BOM with final colorways Added measure chart per Dada sample specs Updated label artwork Need to see revised sample in final colorways, with correct label artwork and the improved bright white mesh
Rev C	1/14/20	JH	Updated label artwork correcting content Updated Emb artwork removing fill color callout Updated BOM calling out micro Hook-and-Loop color
Rev D	1/16/20	JH	Updated style number adding "P" Updated Label with new style number
Rev E	2/14/20	JH	Reviewed all colorway samples - small change on BOM to BLACK hook-and-loop on all colorways Style is Approved for BULK production
